1. On 26 September 1951 the Comite Civico Universitario Anti-comunista (CCUA) was established with the objective of fighting against the infiltration of Communism into the lecture halls of the University.
2. The various anti-Communist groups in Guatemala City, in conjunction with the Partido Unificacion Anti-comunista, are continuing to plan the holding of a huge anti-Communist demonstration, scheduled to take place toward the end of October 1951, or after the projected Congreso Obrero de Unidad Sindical. It is said that the labor leaders also plan a mass demonstration in support of the Government of Colonel Jacobo Arbenz and his Government program.
